Instructions for the Notice of Intent to Transfer a Florida Tax Credit

Taxpayers may submit a *Notice of Intent to Transfer a Florida Tax Credit* by completing and mailing Florida Form F-1193T

to:

Florida Department of Revenue
Revenue Accounting
PO Box 6609
Tallahassee FL 32314-6609

The Department of Revenue will send written certification regarding the amount of the tax credit transferred within fifteen (15) days after receipt of a completed notice. You must have a letter from the Department certifying the credit transferred for the transfer to be valid. A copy of the Department's certification stating the amount of the credit transferred must be attached to the tax return on which the transferred tax credit is claimed by the receiving business.

To Transfer Applicable Florida Tax Credits:

- You must submit this notice (Florida Form F-1193T)
- You must not have claimed the credit amount you want to transfer on any tax return filed with the Department of Revenue.

You may only take the credit against the Florida corporate income tax and you must take it in the order described in section (s.) 220.02(8), Florida Statutes (F.S.). A transfer by an ineligible person does not create a right to a tax credit.

A taxpayer must retain documentary evidence that substantiates and supports this credit and the Department may request the evidence at a later date to verify the credit. A schedule tracking the credit amounts allocated and the use of such credits must be maintained as part of the evidence to support the tax credit.

Florida Renewable Energy Production Tax Credit

The Florida Renewable Energy Production Tax Credit can be transferred in a merger or acquisition. In addition, unused credits may be transferred one time (outside a merger or acquisition) in whole or in increments of not less than 25 percent of the unused credit. The transferring business must have documentation indicating the amount of the credit approved by the Department of Revenue or the Department of Agriculture and Consumer Services. This credit can be carried forward 5 years because of insufficient tax liability.

Florida Corporate Income Tax Capital Investment Tax Credit

For the Florida corporate income tax Capital Investment Tax Credit associated with a new solar panel manufacturing project, the amount of the tax credit that may be transferred in any year shall be the lesser of the qualifying business's Florida corporate income tax liability for the year or the credit amount granted for the year. A business receiving the transferred credit (receiving business) may use the credit only in the year received, and the credit may not be used in any other tax year.
