DADE COUNTY, FLORIDA

GENERAL JURISDICTION DIVISION

CASE NO. **2022-13822 CA 01)**

PEDRO J. GARCIA, as Property Appraiser  
of Miami-Dade County, Florida,

Plaintiff,

vs.

**COMPLAINT**

2201 COLLINS FEE LLC, a Foreign Limited  
Liability Company; JIM ZINGALE, as  
Executive Director of the State of Florida  
Department of Revenue,

Defendants.

\_\_\_\_\_ /

Plaintiff, PEDRO J. GARCIA, as Property Appraiser of Miami-Dade County, Florida, files this Complaint against the above-named Defendants and alleges:

1. This is an action equitable in nature brought by Plaintiff in his official capacity as Property Appraiser of Miami-Dade County, Florida, to contest changes which the Miami-Dade County Value Adjustment Board (V.A.B.) made in the assessments of certain real properties for purposes of ad valorem taxation for the year 2021.

2. This Court has jurisdiction of this equitable action pursuant to Sections 194.036 and 194.171, Florida Statutes. This action is timely filed and all conditions precedent to bringing this action have been met.

3. Defendant JIM ZINGALE, Executive Director of the State of Florida Department of Revenue ("ZINGALE"), is the official of the state government responsible for overall supervision of the assessments and collection of ad valorem taxes. ZINGALE is joined herein pursuant to Section 194.181(5), Florida Statutes, because the tax assessments, as reduced by the V.A.B., are being contested on the grounds that they are contrary to the laws and Constitution of the State of Florida.

4. As of January 1, 2021, Defendant 2201 COLLINS FEE LLC was the legal titleholder of record of the real properties described in “Exhibit A,” each hereinafter referred to as a “Subject Property” and collectively referred to as the “Subject Properties.”

5. Defendant 2201 COLLINS FEE LLC was the taxpayer to whom the Subject Properties were assessed for 2021 and was responsible for the payment of all ad valorem taxes levied thereon.

6. The total assessment for the Subject Properties for 2021 was \$228,601,947. Each Subject Property’s preliminary value is listed in Exhibit A.

7. Plaintiff’s 2021 assessments were arrived at by complying with Section 193.011 of the Florida Statutes, any other applicable statutory requirements relating to classified use values or assessment caps, and professionally accepted appraisal practices. Plaintiff legally arrived at his assessments, and his assessments represent just values for the Subject Properties for 2021.

8. Defendant-Taxpayer filed a petition with the V.A.B. contesting Plaintiff’s assessments. The petition was heard by a Special Magistrate, who recommended reductions to amounts less than Plaintiff’s assessments.

9. The V.A.B. adopted the recommendations of the Special Magistrate. Consequently, Plaintiff’s assessments for the Subject Properties were reduced by 15%, a reduction in excess of the thresholds provided in Section 194.036(1)(b). Each Subject Property’s value as reduced by the VAB is described in Exhibit A.

10. Additionally, pursuant to Section 194.036(1)(a) of the Florida Statutes, the Plaintiff has determined and affirmatively asserts that the values approved by the V.A.B. are below just value, violate Florida Statutes, including Section 193.011, and violate Article VII, Section 4 of the Florida Constitution of 1968.

11. Furthermore, the V.A.B. reductions will incorrectly impact subsequent years’ determination of assessed values pursuant to the application of Article VII, Section 4 of the Florida Constitution of 1968, and the implementing statutes, including Sections 193.155, 193.1554, and 193.1555 of the Florida Statutes.

WHEREFORE, Plaintiff prays that this Court:

1. Inquire into and determine the illegality of the tax assessments as reduced by the V.A.B.
2. Order that Plaintiff's assessments upon the Subject Properties be reinstated and certified to the Miami-Dade County Tax Collector for the issuance of revised tax bills for the deficiency in taxes and interest, including all appropriate adjustments to subsequent years' market and/or assessed values, in accordance with Article VII, Section 4 of the Florida Constitution of 1968.
3. Order ZINGALE to approve Plaintiff's assessments of the Subject Properties as reinstated by the Court.
4. Grant Plaintiff his costs and such other relief as is just and proper.
