RE: Florida Department of Revenue Proposed Rule Amendments
Rule 12A-1.097 – Public Use Forms

Dear Ms. Jackson:

In accordance with section 120.54(3)(d)1., F.S., this letter serves as notification to the Joint Administrative Procedures Committee that the referenced rule has been changed from the proposed rule amendments published in the *Florida Administrative Register* on September 24, 2020 (Vol. 46, No. 187, pp. 3959-3977).

A change of a technical nature was made to Form DR-123, Partial Exemption for Motor Vehicle Sold to Resident of Another State: Affidavit, which is incorporated by reference in Rule 12A-1.097(15), F.A.C.

The Department reviewed the proposed rule listed above and determined that the proposed rule likely will not have an adverse impact on small businesses, small counties, or small cities, and it is not likely to have an increased regulatory cost in excess of \$200,000 within 1 year. No Statement of Estimated Regulatory Cost is required for the proposed rule. The rule does **not** require ratification by the Legislature pursuant to Section 120.541(3), F.S.

The Department of Revenue will file the proposed rule amendments for certification with the Department of State on December 11, 2020, for an effective date of December 31, 2020. This rule is filed not more than 90 days after the notice. The final public hearing for this rule was held on September 22, 2020, during a regular meeting of the Governor and Cabinet.

Sincerely,

Janet Young
Agency Rules Coordinator
