## Do I Have the Application I need?

The Florida Department of Revenue administers over 30 taxes and fees. In most cases, you must register with the Department as a dealer before you begin conducting business activities subject to Florida's taxes and fees. This publication provides the information you will need to register with the Department using a *Florida Business Tax Application*, additional registration applications you may need to complete your registration with the Department, and registration applications you may need instead of the *Florida Business Tax Application*.

The **Florida Business Tax Application** (online or paper Form DR-1) asks you to answer a series of questions about your business that will assist you in identifying your tax responsibilities and to register to collect, report, and pay the following Florida taxes and fees:

- Communications services tax
- Documentary stamp tax
- Gross receipts tax on dry-cleaners
- Gross receipts tax on electrical power and gas
- Lead-acid battery fee
- Miami-Dade County Lake Belt fees
- Rental car surcharge
- Reemployment tax
- Prepaid wireless fee
- Sales and use tax
- Severance taxes (solid mineral, gas, sulfur, and oil production)
- Waste tire fee

If you previously submitted a *Florida Business Tax Application* to the Department and you hold an active certificate of registration or reemployment tax account number (if you have employees), you may use the **Application for Registered Businesses to Add a New Florida Location** (Form DR-1A) to register:

- an additional business location or Florida rental property
- a registered location that has moved from one Florida county to another

to collect, report, and pay the following Florida taxes:

- Sales and use tax
- Prepaid wireless fee
- Lead-acid battery fee
- Waste tire fee
- Rental car surcharge
- Documentary stamp tax

**Register online - it's fast and secure!** You can apply online using the Department's online application at [floridarevenue.com/taxes/registration](https://floridarevenue.com/taxes/registration). You will be able to return to the website to retrieve your certificate number(s) after three business days.

## Identification Numbers

The Internal Revenue Service (IRS) requires any business that has employees and any partnership, corporation, nonprofit organization, trust (except certain revocable trusts), and estate to have a **federal employer identification number** (FEIN). You will need this number to register with the Department. For more information, visit the IRS website at [irs.gov](https://www.irs.gov).

If you are a sole proprietor (individual business owner) or an individual who is the sole member of a limited liability company, you will need your **social security number** (SSN) to register with the Department. If you are not eligible to obtain a social security number, you must provide a **Visa number** issued by the United States Department of State.

When you register with the Department, you are issued a **business partner number** as a unique identifying number for your business. The number will be located on the back of your certificate of registration.

## Sales and Use Tax – Special Reporting Numbers

To make reporting and paying sales and use tax for your registered business easier, you may obtain a **county control reporting number**. If you own multiple business locations (including rental properties) within a single county, you may submit an **Application for Sales and Use Tax County Control Reporting Number** (Form DR-1CCN) to assign a reporting number for that county. You may submit an application for each Florida county where you want to report using a county control reporting number. If you register additional business locations within a county where you have a county control reporting number, you may indicate on your application that you will be filing sales and use tax for the new location using your county control reporting number for that county.

If you own multiple business locations (including rental properties) in a single county or in multiple counties, you may submit an **Application for Consolidated Sales and Use Tax Filing Number** (Form DR-1CON) to obtain a **consolidated sales and use tax filing number** that allows you to make a single sales and use tax payment for all your business locations. If you register additional business locations, you may indicate on your application that you will be filing sales and use tax for the new location using your consolidated sales and use tax filing number.

## Registering Rental Properties to Collect and Remit Sales Tax

If you collect or receive lease or rental payments for ~~the rental, lease, or license to use real property (commercial rental property) or for living, sleeping, or housekeeping accommodations for rental periods less than six months (transient rental accommodations)~~, register ~~each commercial rental property location and each transient rental accommodation for which you collect rent. If you collect lease or rental payments for more than one real property rental location or more than one transient rental accommodation, use a separate application for each rental location or each transient rental accommodation.~~ You may use the shorter **Application for Registered Businesses to Add a New Florida Location** (Form DR-1A) to register additional rental property.
