Beginning January 1, 2015**

The per-ton fees on the extraction of limerock and sand within the Miami-Dade County Lake Belt Area are defined by law. **Beginning with calendar year 2015, these fee rates should be used indefinitely until a statutory change is enacted by law.** Use the fee rates listed below when completing the *Miami-Dade County Lake Belt Mitigation and Water Treatment Plant Upgrade Fees Tax Return* (Form DR-146):

<u>Mitigation Fee Rate</u>	<u>Water Treatment Plant Upgrade Fee Rate*</u>
\$.45	\$.15

* The requirement to collect the water treatment plant upgrade fee will end once the total amount of proceeds collected reaches the amount necessary to design and construct the water treatment plant upgrade, as determined in an open, public request process.

Tax return and payment due date: The *Miami-Dade County Lake Belt Mitigation and Water Treatment Plant Upgrade Fees Tax Return* (Form DR-146) and payment are due on the 1st and late after the 20th day of the month following each collection period. If the 20th falls on a Saturday, Sunday, or state or federal holiday, your return must be postmarked or hand-delivered on the first business day following the 20th.

You must file a tax return for each collection period, even if no tax is due or you paid your fees electronically. For example, your January 2015 tax return is due on or before February 20, 2015. If you pay electronically, your electronic payment must be initiated no later than 5:00 p.m., ET, on February 19, 2015.

This publication will be the last notice issued by the Department regarding these fee rates until a rate change is enacted by law. This notice will be posted on the Department of Revenue's website.
