Wakulla County Discretionary Sales Surtax Continues at 1% Rate

The combined state and local sales and use tax rate for Wakulla County will continue to be 7%*. The combined rate is composed of the 6% state sales tax plus the 1% local government infrastructure surtax. All state sales and use tax and local surtax collected must be reported and remitted to the Department of Revenue.

A *Common Sales Tax Brackets* table (Form DR-2X), along with a listing of all the combined sales tax rates for Florida, is posted on our website under the “Discretionary Sales Surtax” category. The sales tax bracket charts help dealers accurately compute tax due on sales between whole dollar amounts, which cannot be calculated on a straight percentage basis.

Wakulla County Ordinance Number 2016-014 extends the expiration date of the 1% local government infrastructure surtax that was scheduled to expire December 31, 2017, to December 31, 2037.

*The combined rate will be 7% for most sales tax transactions. Other combined rates may apply to certain sales, such as electricity and amusement machines. The combined rate does not include local option surtax for transient rentals.
