Documentary Stamp Tax Filing Changed to Semi-Annual

Because you paid \$500 or less in documentary stamp tax during the past four calendar quarters, your filing frequency for 2000 has changed to semi-annual (June and December).

You will receive your first semi-annual documentary stamp tax return (Form DR-225) in June 2000. This return is due July 1, 2000 and late after July 20, 2000.

You will receive your second semi-annual documentary stamp tax return in December 2000. This return is due January 1, 2001 and late after January 20, 2001.

Note: This change applies only to your filing frequency with the Department of Revenue for documentary stamp tax. This change **does not** affect any other tax filings you may have with the Department or taxes administered by a local government.
