Documentary Stamp Tax Filing Changed to Monthly

Because you paid more than \$1000 in documentary stamp tax during the past four calendar quarters, your filing frequency for 2000 is now monthly.

You should have already received a monthly documentary stamp tax return (Form DR-225) for the month of January. This return is due February 1, 2000 and late after February 21, 2000 (February 20 is a Sunday). If you have not received a monthly return, please call the telephone number listed below.

Note: This change applies only to your filing frequency with the Department of Revenue for documentary stamp tax. This change **does not** affect any other tax filings you may have with the Department or taxes administered by a local government.
