**DOCUMENTARY STAMP TAX FILING STATUS CHANGED TO QUARTERLY
BEGINNING JANUARY 1, 2004**

Your documentary stamp tax account has been changed to a quarterly reporting status effective January 1, 2004. This change is required because you paid \$1,000 or less in documentary stamp tax during the past four calendar quarters. You will receive a personalized documentary stamp tax return (Form DR-225) in March and receive a tax return at the end of each subsequent calendar quarter. If you do not receive a quarterly tax return by late March, please call the telephone number listed below.

Your first quarterly tax return is due no later than April 20, 2004. Quarterly tax returns are due no later than the 20th day of the month following the collection period, remitting the tax due for the preceding collection period. However, if the 20th falls on a Saturday, Sunday or federal or state holiday, tax returns are not considered late if postmarked on the first business day following the 20th. The collection periods and tax return due dates are:

<u>Collection Period</u>	<u>Tax Return Due</u>
January - March 2004	April 20, 2004
April - June 2004	July 20, 2004
July - September 2004	October 20, 2004
October - December 2004	January 20, 2005

Note: This change applies only to your filing frequency with the Department of Revenue for documentary stamp tax. This change does not affect any other tax filings you may have with the Department or taxes administered by a local government.
